Dear {{firstname}},

Two years ago today, August 24th, Daily Transformation was approved as a non profit ministry! On the 27th of August, 2018, I was on the phone with the IRS to find out if I had filled out the paperwork properly that I had filed a week prior to become a 501c3.

Her response was, "I don't know who you know, but you are already approved." I was amazed by how quick the process was following my application with the State of Nevada just 8 days before. I had no human "pull." This was the work of God. Since then we have seen tens of thousands of people come to Christ, we've trained thousands of pastors and seen thousands of home churches started on 4 continents. It is all to God's glory.

Despite COVID-19 closures, work is happening around the globe. I'm getting word of salvations and discipleship happening every day. Let me share a few stories and ask you to pray for those involved.

Pastor Nelson, along with his wife Lucy, have been sharing the gospel and discipling in the Tororo District outside of Kampala, Uganda since COVID closures. They have been using the journal in three languages and showing our training videos on their phone. They ask for prayer for 20 Bibles and a small solar system to charge their phone with no electricity.

Pastor Nelson

Pastor Mugisho has hosted me two times in Kyaka II Refugee Settlement in Uganda where he and his family reside after fleeing from D.R. Congo. He has translated the journal into French and has asked for 400 copies so he can return home to Congo to share the gospel and make disciples. My experience tells me he will be asking for Bibles. He will also need bus money.

Pastor Mugisho

Pastor Secondborn hosted me Bushenyi, Uganda in a training this last February. He and a team of 6 went to three villages in Kiho Malina to share Jesus and disciple. The first village had no church and was experiencing severe drought. The locals cried out to them with tears of desperation. As they prayed, our Lord brought rain! Many were saved. God moved in the next two villages as well. One man gave a plot of land so they can build a church. The 100 new believers need Bibles in Lukonjo, Runyagore Rutoro and English languages and additional journals are needed. Will you pray for them and their need?

Pastor Secondborn and his family

Please pray for **Stephan and Adriana Alvin** from Fresno, CA. Stephan was the videographer of our training videos in Colombia. His wife Adriana is from Brazil and translated the journal into Portuguese. Please pray for the completion and publishing of the journal, open doors for its use in Brazil, Portugal and USA. Will you pray for the printing of 250 journals?

Widad Jajou is a dear sister who moved to the United States as a young woman. She now serves Jesus at a Woman's Counseling Center making disciples in Las Vegas. Widad has a passion to reach Arabic speaking people in Palestine, Iraq and Iran. Seeking out the help from her friend Mahabba, we now have the Daily Transformation Journal in Arabic. Please pray for the publishing and printing costs. Also, for our God to

open doors to train those in the USA whose heart language is Arabic. We have possible opportunities in San Diego. Please pray for open borders for us to go overseas.

Widad Jajou

Pastor Edgar from Isabella, Philippines is also our Philippine printer of the journal. He has a Bible school, elementary school, print shop and church planting ministries. He has been printing the journal in English and now with the help of his sister, has translated the journal into Tagalog. His sister is a nurse and was infected with COVID-19. But, while in a quarantine center, she finished the journal. Pray for the funds to print and for open doors to train many so that evangelism and discipleship happens by ordinary followers of Jesus.

Pastor Edgar

Shara is a school teacher serving in a Muslim country. She is not only reaching fellow Filipinos working there, she, along with her peers, are sharing Jesus with those who only consider him a prophet. COVID-19 is keeping people from worshipping in Mosques. Yet, they see that followers of Jesus' faith is not tied to a building and they are putting their trust in Jesus as God and Savior! Please pray for Shara as she translates the journal into Vasayan for use among the second largest Filipino dialect. Pray for her and those serving in her host country to make many disciples of Jesus. They are awaiting the Arabic translation of the journal!

Pastor Indryas lives in a Christian colony in Pakistan. He and his professor have translated the journal into Urdu. We have paid for 100 copies of the journal. Please pray for Indryas as he trains local believers to seek Jesus as their first love and then obey Jesus by sharing their faith and making disciples in a country that persecutes followers of Jesus. Please also pray for partners for Indryas who truly serve Jesus and His Kingdom, for there are many pastors there who use Jesus to build their own kingdoms.

Pastor Indriyas and his wife Manick

Please pray for **my family** as we try to faithfully serve Jesus together in Las Vegas. We are partnering with local pastors, churches and ministries who want to get back to making disciples. Jesus has called His followers to be more than volunteers at church. We can pray, share Jesus, disciple one on one or in small groups just like the believers in the Bible. We need your prayers for our basic needs to be met and for God to continue to open doors for partners in the gospel and disciple making - in the USA and around the globe. Please also pray for the programmers, simplicity of use and the funds to finish our APP under development. It's beta-release is scheduled for September 30.

Jesus said, "I will build my church and the gates of hell shall not prevail against it." His job is to build His church. Our job? Make disciples who make disciples (Matthew 28:18-20 and 2 Timothy 2:2). Will you join Jesus?

Faithfully serving by His grace,

David Carothers
