

We can be faithful in church, yet sense our life has not been transformed by supernatural means. We ask ourselves, "*I know God is alive and powerful, but is everything I'm experiencing explained by a human effort?*" God is near. God is at work. **Transformation happens when we spend time seeking the face of God** (2 Corinthians 3:18). There we **get direction** directly from God. There we find **supernatural power** to live the new life Jesus has provided. There we can **be a witness** that reveals to the world God and His Church are as relevant as when Jesus walked on Earth.

Growing as Jesus' disciple **requires** effort on our part. Yes, Jesus' grace is new each day and gives us hope that He is near. Yet, at the same time **Jesus wants us to stop finding our hope in this world**. You can't love this world and have the love of the Father in you at the same time (1 John 2:15). We learn from Paul that growing disciples of Jesus learn to imitate Christ, embrace God's word/truth and are empowered by His Holy Spirit (1 Thessalonians 1:6-7).

This is the same message of transformation that I am sharing around the globe and at home. And, **just as Paul was able to minister in Corinth because the church in Macedonia provided for his needs** (2 Corinthians 11:9), **I need your help**. In 2020, I have requests to go to the Philippines, Uganda, Congo, Kenya, Pakistan, India, Columbia, Mexico and Malaysia. When I am at home many churches can give me a love offering and pay for their journals. But, **none of the countries requesting me to come can provide for my travel or purchase a copy of the DT Journal** in their language. We are also finding that as many as **90% of pastors do not own a complete Bible**.

Will you partner with me to help people come to know Jesus, become disciples who share their faith and start Bible studies in their home to reach their community with the hope of Jesus? *Pray about giving...*

\$25, \$50 \$100/monthly. Committed people like you are critical to our consistent outreach.

\$150 to provide 10 language specific Bibles.

\$500 to sponsor the initial printing of a new language Daily Transformation Journal. (Currently Luganda, Tagalog, Oromo, Urdu and French are ready for print.)

\$4,000 to sponsor a pastor training in a developing country like Pakistan, India, Congo, Kenya, Uganda, Bolivia or Columbia. The impact is exponential!

God has allowed me to join his work in 2019. I have had 15 weeks of field ministry in 6 trips. Six editions of the Daily Transformation Journal have been translated this year, 11,000+ souls saved, 2200+ healings, 760 pastors trained, 2400 journals given and people trained. Meanwhile, three Congolese, one Ugandan, and two Columbian trainers continue to work while I'm home! Not to mention, we have seen trainees making disciples and seeing their churches double in size in four months!

Missionaries trained on our trips have resulted in two Las Vegas, five Fresno, two Georgia and one North Dakota home Bible studies.

All this on a budget of \$42,000.

What could happen if you partner with us this year? Please pray and ask God how He'd like you to join our work.
