

## Why wait? I'm ready for Jesus' Transformation!

{{firstname}}, Spending time and daily following Jesus are essential to a Transforming life.

Most Christ followers want to grow more intimate with Jesus. But, when surveyed, most have not put into practice what thriving disciples of Jesus have been doing for centuries: *Praying to help them listen; Daily Bible reading to give instruction for the day; Weekly Bible study and fellowship to grow at helping others follow Jesus; and, Contagiously sharing what Jesus is doing in their life so that others can find His Kingdom too.* Daily Transformation's My Life Journal will help you learn and regularly implement these essential practices.

Discover what one, who recently committed to using the journal, from Las Vegas shared: *"The Journal has revolutionized my walk with Jesus. God is now also using it in my daughter's life to encourage her walk with Jesus."*
